VISION STATEMENT

The vision of the County Courts at Law of Montgomery County is to provide our citizens with a professional, efficient, fair and impartial system of justice. This includes prompt resolution of civil disputes and criminal charges by effectively managed Judiciary and Judicial System by utilizing technological advancement, alternative dispute resolution and financial efficiency, while seeking the highest possible public trust and confidence.

MISSION STATEMENT

The mission of the County Courts at Law of Montgomery County is to serve the public by providing our citizens with a professional, efficient, fair and impartial system of justice, treating all individuals with dignity, respect, honesty and fairness while fostering public trust, understanding and confidence.

GOALS

1. To increase accessibility to the judicial system and improve the quality of all services.
2. To improve the judicial system's efficiency and effectiveness.
3. To promote trust, understanding of and confidence in the judiciary and the judicial system.
4. To enhance communication and cooperation between the courts and other departmental entities of Montgomery County.

VALUES

1. To operate with a pro-active, innovative and progressive approach to program development and implementation, remaining open to suggestions for improvement.
2. To respect the interests of the taxpayers and our funding unit by continuously seeking greater efficiencies for improved service in coordination with elected officials, county departments and other units of government.
3. To provide the least restrictive alternative for offenders consistent with public safety while seeking to maximize restorative and therapeutic justice.
4. To comply with all trial court performance standards
5. To encourage the spirit of teamwork among courts and service units.
6. To serve as an example worthy of emulation by other courts in Texas and the United States.
