To Whom It May Concern:

Montgomery County, Texas (the "County") retains BOSCO, Inc. to serve as an independent registered municipal advisor (the "Financial Advisor"). In this regard, we will rely on our Financial Advisor to provide advice regarding the issuance of municipal securities or use of municipal financial products. "Rely on" means we intend to seek and consider the advice, analysis and perspective of our Financial Advisor prior to acting on the sale of municipal securities. This also encompasses advice and guidance relating to bond related correspondence or financing proposals provided by bond underwriters that have been granted the Independent Registered Municipal Advisor Exemption (the "IRMA Exemption") by the County. We may also rely on representations, if any, made within any bond related correspondence or financing ideas provided by potential bond underwriters.

Potential bond underwriters may rely on this certification for purposes of qualifying for the IRMA Exemption afforded by the Securities and Exchange Commission ("SEC") Municipal Advisor Rule 15Bal-1(d)(3)(vi) until a replacement certification has been posted on the same page on our internet site <http://www.co.montgomery.tx.us/> or correspondence is sent to the same address to which we have previously sent this letter or the certification is withdrawn. To confirm that this certification is still valid, please contact the undersigned. It is important to note, this certification solely relates to the issuance of municipal securities and shall not be relied upon as an exemption for the investment of bonds proceeds or escrow investments as applicable pursuant to Section ISB of the SEC Municipal Advisor Rule.

Proposals and other correspondence relating to the issuance of municipal securities by bond underwriters granted the IRMA Exemption shall be provided solely to Judge Craig Doyal, County Judge and our Financial Advisor listed below. Please note, aside from regulatory mandated correspondence, a potential bond underwriter should not send proposals or other correspondence relating to the sale of municipal securities by the County solely to our Financial Advisor, unless specifically directed. In addition, failure to comply with this request may result in the termination of a bond underwriter's IRMA Exemption, if previously granted. Proposals should also be provided in a searchable PDF format.

Potential bond underwriters relying upon this IRMA Exemption acknowledge it has no recourse against the County or its Financial Advisor relating to any action or inaction with respect to evaluating, implementing or responding to proposals or other correspondence relating to the sale of municipal securities that may be provided pursuant to the IRMA Exemption.
