PERMITTING DEPARTMENT
FLOODPLAIN DETERMINATION
DISCLAIMER**

Building Permit # _____

Property Location: _____

FLOODPLAIN DETERMINATION: I understand that this department is relying on the plot plan, survey, or septic system design drawing provided to this office at the time of permitting by me to show the structure location at the above referenced property.

I understand that failure to place structure at this location will result in this permit immediately becoming null and void.

If this property is located in an unnumbered (approximate) Zone "A" area, I understand that base flood elevations determined by this office are estimated for floodplain management purposes only and are based on the best information available to this office at the time of permit issuance.

I also understand that there are no guarantees, expressed or implied, that accompany this floodplain determination by the Montgomery County Permitting Department.
