Defendant in the above styled cases, comes now to Petition the Court to grant extended time to complete financial obligations to the Court. Defendant understands all costs, fines, and fees are payable in full at time of sentencing, but claims inability to meet said costs, fines, and fees at one time. Defendant, therefore, prays for relief from the Court by allowing said defendant to enter into a formal agreement with the Court to meet those financial obligations over an extended period of time, to be determined by an Officer of the Court within five (5) days of Granting of this Motion.

Defendant agrees to provide to the Court any and all information required by the Court to make a reasonable determination of ability to pay, and agrees to abide by the terms and conditions of said Agreement. Defendant understands failure to provide said information to the Court within five (5) days will constitute a non-compliance with sentencing and that Warrants for Arrest will be issued by the Court to enforce compliance.

Signed on this, the \_\_\_\_ day of \_\_\_\_\_, 20\_\_.
