

# Mission Statement

The Montgomery County District Clerks Office provides a proficient staff to diligently serve the courts, public, and other government entities. We focus on managing and maintaining court records in a cost efficient and timely manner.

## Goals

- \*Consistently implement new technology for the benefit of court personnel, counsel, and the public
- \*Utilize updated legislation for collection of outstanding court ordered funds
- \*Organize jury panels and provide qualified jurors for 14 courts
- \*Employ advanced technology to maintain the needs of a rapidly growing county
- \*Capitalize on development of TXCSES customer service by downloading child support information and attorney general services
- \*Provide passport services
- \*Preserve documents for historic archives and public access
- \*Encourage workshops within the office to develop a more diversified team
- \*View all we do through the eyes of our customers
