

The Justice Courts of Montgomery County do not have access to the E-Jury system. If you have been sent a Summons to appear for jury duty in one of the Justice Courts and want to request an exemption, feel you are disqualified, choose to postpone jury duty or have questions regarding your service, please contact the Justice Court to which you have been summoned.

If you are requesting that your duty be postponed for the Precinct Three Justice Court, you will be assigned to the next jury trial date which is available.
